# ABOUT US

---

With over 30 years of experience, Delta Group is a leading food company established since 1974, and providing the highest quality ingredients from a range of more than 200 products you can find in all major supermarkets and most local minimarkets and shops.

Since Delta Group has been the pioneer Lebanese company of packaged and branded herbs, spices and mixed powders, it grew and it is still expanding through a very precise vision combining high standards of hygiene, to quality and consistency.

# MISSION & COMMITMENT

---

And because capturing nature and bringing it to you in herbs, spices and mixed food powders us a complicated task, our highly skilled personnel works according to the guidelines of a constantly evolving research and development program, to assure our production meets the highest and most modern standards.

We equally provide a creative range of recipes to make our consumers enjoy our products and make the most of our high-quality production.

# OUR PRODUCTS

---

## Falafel

Golden brown falafel is our popular and traditional product. This ready-made mixture is seasoned with our special spice mixes and filled in a P.E.T recyclable box of 400g in 12 packs per carton or a 1kg aluminum bag packed in 8 pieces per carton with two year of shelf life.

Its crispy texture and addictive taste are enjoyed worldwide.

# OUR PRODUCTS

---

## Spices

We have a variety of more than 200 spices, spice blends and herbs:

### Envelopes:

Our magical and appetizing spices are packed in 20g and 50g of envelopes packed in dozens with two-year shelf life. They are always fresh to enrich and boost our various daily dishes taste making it addictive.

### PET boxes:

Choose our PET safe, durable and recyclable boxes used for our irresistible spices packing. The weight of the packed spices varies from 50g to 75g depending on the spice type. PET boxes are packed together in 6 pieces per pack with a two-year shelf life.

This easy use and enjoyable sprinkle boxes are the favorite consumers and the chef's first choice along with our unique spice taste.

# OUR PRODUCTS

---
