COMPANY PROFILE

After years of recipe developments, **Soler's** was first launched in 2016, with a mission to provide everyday foods that are simply delicious and healthy.

The company has grown at a rapid pace ever since, expanding its offerings across most Lebanese supermarkets with its wide variety of tasty healthy snacks that are preservative free. The company currently holds its position at the core of the sector with its different flavored crackers that satisfy both salty and sweet cravings.

SOLER'S
crackers & more

Soler's carefully selects high quality natural organic ingredients to create great-tasting products that one can enjoy all day. By offering a product for every member in a family, **Soler's** is always present in any grocery shopping list.

Hard work and continuous investment in R&D has given **Soler's** the production capacity to expand internationally.

Soler's looks forward to creating inspired new treats that make life even more delicious!

A stack of several Brandates Fingers, which are cylindrical, light-brown baked goods with a dark filling, resting on a dark slate surface. To the right of the stack is a small pile of dark, glossy dates. The background is a blurred wooden surface with some wheat stalks. The entire image is set against a dark blue background on the right side.
